Keyboard mapping Mixxx 1.10

* for en-us keyboard layout

You can make your own custom keyboard mapping. For a list of all controls available inside Mixxx goto:
http://www.mixxx.org/wiki/doku.php/midi_controller_mapping_file_format

Share your custom keyboard mapping with others in the Mixxx user customizations forum:
<http://mixxx.org/forums/viewforum.php?f=6>
